
IR-4 BIOPESTICIDE PROGRAM

IR-4/EPA/PMRA Biopesticide Registration Workshop Announcement

A Workshop to provide participants with a better understanding of the biopesticide regulatory process in the U.S., Canada and California will be held November 13-15, 2001 in Arlington (Crystal City), VA. Instructors and lecturers include regulatory officials of EPA, PMRA and California Department of Pesticide Regulation. Personnel currently involved (or considering future involvement) in discovery, manufacturing and sales of biopesticides are encouraged to attend.

The Marriott Crystal Gateway is the host hotel for the Workshop. The room rate is \$139.00 plus tax for single/

double room per night. **You must register before October 22, 2001 to receive this low rate!** Call the hotel directly at (703) 920-3230 and mention you will be attending the IR-4 Biopesticide Registration Workshop.

Pre-registration is encouraged. The discounted pre-registration fee is only \$75.00 if the registration form is postmarked by October 10. Registrations mailed after October 10 will be \$200.00. **Register early and save money.**

For further information, contact Cheryl Ferrazoli at IR-4 Headquarters - 732-932-9575 ext. 601.
