

Future GLP Training Opportunities for IR-4

The following is a list of upcoming GLP training opportunities across the country. The information has been compiled by the Training Committee from the contact person or other sources of information. All requests for more information and/or registration materials should be obtained directly from the website or contact person. This may not be a complete list of all GLP training events available over the next months - if additional training opportunities come to the attention of IR-4, they will be posted in the Training Resources corner on the IR-4 website.
